

You thrive in a dynamic environment with variety in your job.

You enjoy a job with some physical outside work where you're not tied to an inside desk.

You appreciate recognition for your hard work and dedication.

You can multi-task, juggle & problem solve effortlessly.

You crave being part of a great team and genuinely like working/interfaces with people.

You're a detailed person who also can see the "big picture".

You don't wait for someone to tell you what to do, you're proactive, resourceful and smart.

=====

Does this sound like You? If you want to have a real impact on a successful growing company in the specialty reclaimed granite field, read the job opening below and send us your resume!
